

General Liability, Workers Compensation, Business Auto and Property and Tool Coverage for Flooring and Tile Installers In North Carolina

When it comes to insuring your flooring company, you need an agent with experience helping floor and tile companies because your business insurance needs are complicated and a one size fits all approach could leave you with dangerous insurance gaps.

Our special Tile & Flooring Company Insurance Program is designed to help you get the best possible protection at the lowest price. This program can handle your flooring general liability insurance, your workers compensation insurance as well as your equipment coverage, your storefront inventory coverage and your commercial auto insurance policy for your trucks and other vehicles.

We understand the Tile & Flooring business and we speak your language. Whether your niche is carpeting, wood floors, or tile, we have tips for helping you get the most out of your audit process and we understand exactly which class codes can give you the best protection while saving you money on your general liability policy and your work comp policy. And although we offer you niche agents with years of experience, we don't charge one dime for our time to help you through the complicated process of making sure you have the right protection. Try asking your accountant or your attorney for an in depth review at no charge. Good luck. But the best part of all is that since we write so many floor & tile installer insurance accounts, we can have a competitive quote ready for you quickly. In most cases we will have a full insurance quote for your floor or tile company ready in 9 minutes or less. Don't trust your business insurance needs to someone who does not have vast experience with your kind of business. Call us today, toll free, at 877-687-7557 for a free risk review and policy quote.
