

General Liability, Workers Compensation, Equipment Coverage, Business Auto and Property Insurance for NC Masons and Concrete Construction Companies

Concrete and masonry construction companies need an agent with experience insuring other companies just like theirs. This is because this kind of business has complicated and unusual insurance issues and a one size fits all approach could leave you with dangerous coverage gaps.

Our special Masonry and Concrete Contractors Business Insurance Program is designed to help you get the best possible protection at the lowest price. This program can handle your general liability insurance, your workers compensation insurance as well as your tools and equipment coverage and your commercial auto insurance policy for your trucks and other vehicles.

We understand masonry contractors and concrete construction companies and we speak your language. Whether your business is residential, commercial, new construction or renovations and repairs for masonry or concrete work, we can help you shape the audit process for your general liability and your work comp insurance to save you the most time and cut your costs as low as possible. We know exactly which class codes will give you the best protection while saving you money on your general liability policy and your workers compensation policies. And although we bring many years of experience working with companies just like yours to the process, we don't charge one dime for our time and our experienced advice to help you through the complicated process of making sure you have the right protection and the right insurance policies. Try asking your accountant or your attorney for an in depth review at no charge. Good luck. But the best part of all is that since we write so many masonry contractor insurance accounts and concrete construction insurance accounts, that we can have your insurance quotes ready for you quickly. We know your time is valuable and we want to get you back to the business of running your business as fast as we can. In most cases we will have your money saving insurance quotes ready for you in 9 minutes or less. Don't trust your business insurance needs to an agent who doesn't already insure dozens of companies just like yours. Call us today, toll free, at 877-687-7557 for a free risk review and policy quote.
