

General Liability, Workers Compensation, Equipment Coverage, Business Auto and Property Coverages For NC Painting Contractors

If you own a painting business, then you should be sure to only use an insurance agent with lots of experience insuring painting companies. This is because your business insurance needs are complicated and unusual and a one size fits all approach could leave you with dangerous insurance gaps. Our experience can save you money and help you get the insurance coverage that helps you sleep at night.

Our special NC Painter Insurance Program is designed to help you get the best possible protection at the lowest price. This unique program for painting companies can handle your general liability insurance, your workers compensation insurance and your equipment and tools coverage if you want it, as well as your business auto insurance policy for your trucks and other vehicles.

We understand painting contractors and your business and we speak your language. Our program can handle everything from the small house painter with no employees all the way up to the large commercial painter with 50 or more employees. Whether your business is residential, commercial, new construction or renovations, we will you get the most out of your general liability and work comp audits to save you time and money. We know which class codes can give you the best protection while saving you money on your liability insurance policy and your painters workers compensation insurance policy. And although our agents have many years of experience insuring painting companies like yours, we don't charge one dime for our time and experienced advice to help you through the complicated process of making sure you have the right protection for your specific situation. Try asking your accountant or your attorney for an in depth review at no charge. Good luck. Best of all, since we insure so many painting insurance accounts, we can have your insurance quotes quickly. In most cases we can give you a firm insurance quote in 9 minutes or less. Don't trust your business insurance needs to someone who doesn't insure dozens of painting companies right now. Why let armatures learn at your expense?
