

Clinard Insurance Group... Experts in Dealers Insurance!

Clinard Insurance Group is proud to offer our Preferred Used Car Dealer Insurance Program!

Our vast experience insuring over 300 used car dealers means that you will not only receive outstanding protection, but you'll also be working with an agent that specializes in protecting car dealers. We know your business, we speak your language we understand the issues facing used car dealers and their insurance policies. This is particularly important because dealers insurance is complicated and few agents understand it well.

Our comprehensive Auto Dealer insurance program includes Garage Liability Insurance of course, but we allow you to add to that: Dealer's Open Lot Coverage for your inventory, Building and Contents coverage and even Workers Compensation Coverage if needed. Also be sure to ask us about our special feature for your comprehensive deductible. This small, little understood tweak will save you hundreds, even thousands of dollars if your lot is hit by a hailstorm.

We offer fantastic used car dealers insurance coverage at rates so low you will be surprised, and unlike many agents, we can offer you higher limits. We make the process easy for you, in fact, we can usually provide you with a rate quote on your dealers garage insurance in 9 minutes or less!
